Pro Shop: (435) 753.6050

BURGERS ON THE DECK 11-2pm EVERY FRIDAY!

Dear Members-

Welcome to May at Logan Country Club! It's getting to be prime time for golf, patio dining, and everything else the club has to offer. Get out and enjoy this beautiful spring weather.

On April 25th, we had member meeting. I want to thank all of those that were able to attend. We filmed the presentation and will make it available for viewing once the editing is complete. We covered a number of items:

A brief review of past financial performance

A more detailed view of current projects and financials

• Connector Trail

We will see some additional work being done to accommodate a waterline relocation USU needs to do. As a board we are attempting to mitigate any disruption and lasting impact on the club.

• Maintenance Building Roof

The roof is on.

• Goat Holes Restoration Schedule

Please be patient with the restoration process. We expect to have these holes open mid-late May.

• IT System Conversion

We've implemented the critical aspects of the new system. We will continue to add features as we get our feet under us and look for communications to come as we get to these projects.

• Cart Paths

Paul is working out a schedule to take care of the most critical areas of cart path to be improved. The path near #9 Tee is next on the list. Look for this work to begin in the next couple of weeks.

Assistant Professional

• A 5 year plan

Expected Financial needs
Financial Plan

The board is reviewing and discussing plans that will help to prepare us for the future financial needs of the club. We will likely see a minimal dues increase this year and next to help us start accruing cash.

If you have any questions, or would like additional details, please feel to contact me at 801-580-9239. I'm looking forward to seeing more of you around the club-

Dave Kerr

Board President

LADIES ASSOCIATION-

And we're off and running! On May 1st, the Ladies Golf Association had their Spring Opener and the weather couldn't have been any better. After a soaking rain the day before, the skies cleared and made way for an enjoyable day for all. Our winners of the Scramble were Team Nielsen, Bowen and Fullmer for first place while Team John, King, and Wangsgaard took second place. Jeneile Tams was closest to the hole on # 2 and Lauren Keller was closest to the hole on #12. Night Ladies Opener will be May 3, starting with a free clinic at 5 pm.

We introduced 3 new members: Shirlene Davies, Sai King and Cassidy Anderson. Let's all welcome these new ladies to our organization.

Join us each week for more fun and different formats of play. For Tuesdays' Ladies Day, sign up in the pro shop before noon on the Monday before. Continental breakfast available at 9:15 am; 10 am shotgun start. For Night Ladies play, tee times start at 2:30 pm to play the back nine and at 5 pm (or when you get there) to play the front nine. You choose whether to play 9 or 18 holes. Please let the pro shop know when you intend to play. Hope to see on both days!!
